# UDPINT KIRKEGÅRDS-JORD

Fjernet alt organisk materiale  
igemmen mange år

Vi graver grave, hvor jorden  
bliver vendt, det er ikke altid vi  
får den gode jord øverst igen

Vi lægger ral, grus eller sten ud  
på den bare jord, som skal  
være pæn

A wide-angle photograph of a golf course. In the foreground, a large, mature tree with dense green foliage stands on the right side. The middle ground features a well-maintained green lawn with visible mowing stripes, leading to a path that curves into the distance. The background is filled with more trees and a clear sky. The overall scene is bright and verdant.

# DEN GRØNNE ØRKEN

A top-down view of a garden path. The path is composed of light-colored gravel and several large, flat, grey stone slabs. On the left side, there is a dense, low-growing green plant with fine, needle-like leaves. On the right side, there is a cluster of green plants with broad, rounded leaves. The overall scene is brightly lit, suggesting a sunny day.
